Mission

WOAMTEC® is a premier business building group designed to appeal to business women (and a few good men) who are already successful and simply want to grow more. It is not designed for commissioned sales people only, rather, strong individuals who want to increase their companys' bottom line and overall revenue while working to obtain the greater commission in life.

Philosophy

Our philosophy is not to compete with any other networking organization, but instead to offer a pure social, stress-free business building atmosphere, where women can focus on keeping their priorities in the order of faith, family and career, without feeling guilty about it!
